Overview: The trailer for this action RPG game promises a hardcore stealth experience, and it fits the game very well. Shadow Tactics: Blades of the Shogun is an action RPG game where you can try your hand at playing as Katarina, a professional ninja. The game is developed by Saber Interactive, and is also available in retail stores. You play as Katarina and sneak up on hordes of enemies and go for their heads with sharp blades. How well do you perform as Katarina and have you ever played a tactical stealth game before? To answer these questions, you can just dive into the gameplay section of this post. Shadow Tactics: Blades of the Shogun (2017) is an action RPG game that is part of the Shadow Tactics series. The game was developed by Saber Interactive and was published by Nordic Games on September 12, 2017 for Microsoft Windows, Linux, and PlayStation 4. Shadow Tactics: Blades of the Shogun is a tactical stealth game that can be described as an action RPG. You play as Katarina who is a professional ninja from the Hidden Leaf Village. The village consists of two factions: the Red Masks and the Black Masks. Katarina leads her team to defeat the Red Masks and become the new leader of the village. It can be described as an action game that relies on stealth, since there are lots of enemies. As a ninja,

you have to sneak in the shadows and get close to the enemies and kill them. At times, you can fight multiple enemies at once. There are lots of missions that you must complete, and it becomes a bit tricky at times. Shadow Tactics: Blades of the Shogun (2017) is a tactical RPG game. You play as a Ninja, and it is your job to help the villagers to fight the Red Masks, and eventually become the new leader of the village. The game can be described as a complex game that combines elements of hack & slash and stealth. Shadow Tactics: Blades of the Shogun (2017) is a tactical stealth game. You play as a ninja, and you have to fight to help the villagers to take down the Red Masks, and end up becoming the new leader of the village. The game can be described as an action game that focuses on stealth and tactical gameplay. Defeating the enemy should be a priority, however, you should not get spotted and have to flee. So, like a real ninja, you need to be careful and keep low to the ground as you sneak around
